

PERSONAL HITTING COACH

Individual or Team Service

Perfect for Travel ball and School ball Players

Coach Joe is committed to your success!

Service includes in-game video analysis, personal one on one instruction customized just for you.

Coach Joe will start with your basic swing and get you into a proper load and swing. Teach you how balance in your swing, will make you a better and more consistent hitter. Recognize pitches and how to attack each pitch. How to hit curveballs and off speed pitches with power. Teach you to keep your hands inside the ball to hit to all fields.

How the proper mechanics of your swing will increase bat speed.

What will happen when you book Coach Joe as your personal hitting Coach?

First, I will do a video analysis of your swing as a base point to figure out a starting point for your path to the perfect swing. After the video analysis is completed, we will begin the instruction and education process of your swing, we will proceed step by step to correct and adjust your swing to get you to hit for a higher batting average, more power and drive the ball to all fields!
